INTEGRITY, COMPASSION, PROFESSIONALISM AND EMPATHY

THIS IS A COLLEGE LEVEL COURSE

Before registering, please be aware of the following requirements of this course:

All students MUST:

- Have easy access to a computer for home study work. Expect to complete approximately 10-14 hours a week online independent study, as well as online quizzes and tests. A laptop computer is preferable for class.
- Be able to read, write, communicate and interpret instructions in the English Language. (All text materials are written at the 10th grade level).
- Be in good physical condition and be able to lift.
- Participate in all lecture and practical sessions. Students must attend all sessions in their entirety. Any absences must be made up prior to the state final certification exam. Due to the course layout, makeup sessions will be extremely difficult to schedule.
- You MUST purchase your book from SBES which gives you access to the online system.
- Bring a stethoscope and a watch with a second hand to ALL classroom sessions
- Once received, students must wear supplied uniforms & IDs as outlined in the SOG's.
- Have a notebook and pencil/pen at all times

**FUNCTIONAL POSITION DESCRIPTION FOR THE
EMERGENCY MEDICAL TECHNICIAN**

INTRODUCTION

The following is a position description for the Emergency Medical Technician (EMT). This document identifies the minimum competencies of the EMT.

COMPETENCIES

The EMT must demonstrate competency in handling emergencies utilizing basic life support equipment in accordance with the objectives in the National Highway Traffic Safety Administration EMS Education Standards for EMT and other objectives identified by the New Jersey Department of Health, to include having the ability to:

1. Verbally communicate in person, via telephone, telecommunications and other electronic devices using the English language.
2. Hear and interpret spoken information from co-workers, patients, physicians and dispatchers and sounds common to the emergency scene.
3. Lift, carry and balance a minimum of 125 pounds equally distributed (250 pounds with assistance), a height of 33 inches, a distance of 10 feet.
4. Read and comprehend written materials under stressful conditions.
5. Verbally interview patients, family members, bystanders and hear and interpret their responses.
6. Document physically in writing all relevant information in prescribed format.
7. Demonstrate manual dexterity and fine motor skills, with ability to perform all tasks related to quality patient care.
8. Bend, stoop, crawl and walk on uneven surfaces. Meet minimum vision requirements to operate a motor vehicle within the state. Function in varied environmental conditions such as lite or darkened work areas, extreme heat, cold and moisture.

SBES EMS Training Center – EMT Training Hybrid Program

SBES EMS Training Center – EMT Training Hybrid Program

To: Parents/Guardian of MINOR Students attending the SBES EMT Program

While we at the SBES Training Center welcome their ambition to become Emergency Medical Technicians, for their protection, the following guidelines need to be strictly adhered to throughout the duration of the class. We ask that you please make sure you review and initial each of these items with the minor student attending our program

Parent Initial	Student Initial	
		<p>No minor student attending this class will be permitted to leave the premises during classroom hours, including lectures, breaks or lunch, except as noted below:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Minor Student may leave SBES facility during breaks or meals <input type="checkbox"/> Minor Student may leave SBES facility during breaks or meals, but only when accompanied by: _____
		No minor student will be allowed to smoke or use other tobacco products, including electronic smoking devices, chewing tobacco, etc., while anywhere on the property of SBES or any of our class locations.
		All students, per New Jersey Department of Health Guidelines, must be on time for class. The minor student is responsible for making all arraignments to travel to and from class sessions.
		The student is required to wear the appropriate classroom attire, as outlined in the student’s Standard Operating Guideline, to all classroom and practical sessions.
		SBES TC has a zero-tolerance policy for harassment, violence or carrying of devices considered to be weapons. Minor students may be immediately dismissed by the instructor if any concerns regarding these areas arise, and the safety of the minor student, other students, faculty or the community is at risk.

By signing this form, the minor student and parent/guardian agree to the rules set forth above. The student agrees to speak to a course instructor if a situation occurs where the student may need to deviate from the rules. A course administrator will be advised, and if the situation cannot be resolved, it may be found necessary to call the parent/guardian regarding the matter. Both parent/guardian and the student understand that any deviation from these rules may result in dismissal from the class and forfeiture of any fees privately paid by the student or parents/guardians.

DECLINATION STATEMENT

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine, at no charge to myself. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me (Must contact sponsoring organization for approval).

SBES EMS Training Center – EMT Training Hybrid Program

New Jersey Department of Health § 8:40A-5.3 Attendance

(a) Each student shall attend all required program sessions. Attendance shall be recorded on an official session roster. Official session roster forms are available from OEMS upon request. All session rosters shall be delivered to OEMS at least 10 calendar days prior to the NREMT-Basic Certification Examination. No student shall be credited with attendance at a session who:

1. Fails to attend the entire session;
2. Arrives more than 15 minutes late for the session;
3. Has been expelled from the session for disruptive behavior;
4. Leaves prior to the completion of the session;
5. Attends the session, but is unwilling to participate in the required activities and instruction for that session; or
6. Fails to sign the attendance sheet.

(b) Subject to the provisions of (c) below, any student missing a session shall make the session up within 120 days of the course completion date prior to becoming eligible to sit for the NREMT-Basic Certification Examination. The program coordinator shall be responsible for assisting the student with locating a suitable make-up session. The options available to a student are:

1. Attendance at the same session in another EMT-Basic training program;
2. Attendance at a special session scheduled by the program coordinator which covers the lecture material and practical skills; or
3. Utilization of audio/visual materials in conjunction with the required practical skills session conducted by a Lead EMT-Instructor or EMT-Instructor as approved by the program coordinator. (c) Any student missing three consecutive sessions may be expelled from the EMT-Basic training program and may be required to apply for, and participate in, an entirely new EMT-Basic training program.

SBES EMS Training Center –EMT Training Hybrid Program

New Jersey Department of Health § 8:40A-5.8 Program Curriculum

(a) The Department hereby adopts and incorporates by reference the program curriculum as the curriculum for all EMT-Basic training programs conducted in New Jersey.

1. A person must successfully complete each of the program curriculum's seven training modules, and shall not be permitted to move on to the next consecutive module until he or she has successfully passed the examination for the previous module. A person who fails a module examination shall be permitted to re-test following remediation. A person who fails two consecutive examinations for the same module shall be automatically expelled from the EMT- Basic training program and shall be required to apply for, and participate in, an entirely new EMT-Basic training program.

(b) No training agency shall offer an EMT-Basic training program that provides instruction in material that is beyond the permitted scope of practice for an EMT-Basic, as defined in this chapter, the program curriculum, or any applicable law, rules and/or regulation.

(c) Each lecture portion of an EMT-Basic training program shall comply with the corresponding lesson plan listed in the program curriculum.

(d) Each practical skills session shall comply with the standard of care as defined in the program curriculum or any applicable law, rule and/or regulation.

(e) Each EMT-Basic training program shall include a 10-hour clinical experience in the emergency department of an acute care hospital or another area related to prehospital care that has been approved by the Department.

1. The clinical and/or field experiences shall be limited to observation of procedures and patients, and the application of clinical skills that are taught as part of the program curriculum. The clinical experience shall occur under the direct supervision of a Field Preceptor designated by the supervisor of the emergency department staff or other area included as part of the clinical experience.

2. No person shall serve as a field preceptor unless that person is medically qualified to operate at least to the level of an EMT-Basic.

3. Students participating in the clinical experience shall neither be required nor allowed to perform any skill or procedure that is outside the scope of practice for an EMT-Basic, nor shall a student be allowed to replace required emergency department staff.

4. The program coordinator or emergency department staff may permit the student to spend up to five hours of the required clinical experience as an observer on a MICU, subject to the restrictions set forth in (e) 1 and 3 above.
